To Whom It May Concern:

I am writing to certify that conclusions expressed in the white paper, titled “Evaluation of the Ankle Roll Guard’s Effectiveness to Improve its Clinical Benefit” are solely mine and those of my research team at the Center for Orthopaedic and Biomechanics Research.

We have independently designed, collected, processed, and analyzed all data presented herein the white paper. We have no financial or conflict of interest for any of the products tested within this study.

Sincerely,

Tyler Brown, PhD, CSCS
Assistant Professor
Director, Center for Orthopaedic and Biomechanics Research
Department of Kinesiology
Boise State University
